

Some days I m a super bitch
Up to my old tricks
But it won t last forever
Next day I m your super girl
Out to save the world
And it keeps gettin better

Kiss kiss gonna tell you right now
I ll make it sweet on the lips as it can knock you out
Shut up I don t care what you say
Cuz when we both in the ring you re gonna like it my way
Yeah baby there s a villain in me so sexy sour and sweet
And you ll be loving it

Some days I m a super bitch
Up to my old tricks
But it won t last forever
Next day I m your super girl
Out to save the world
And it keeps gettin better

Hold on
Keeps gettin better
Hold on
Keeps gettin better
