Verse :            (one Strum down for the G chord)
**Em**                 **G Em**           **G**
  Step back gonna come at ya fast
I m driving out of control
And getting ready to crash
Won t stop shaking up what I can
I serve it up in a shot
So suck it down like a man
**Em**              **Am**
   So baby yes I know what I am
        **G**
And no I don t give a damn
              **F#**          **F**
And you ll be loving it

Some days I m a super bitch
Up to my old tricks
But it won t last forever
Next day I m your super girl
Out to save the world
And it keeps gettin  better

Kiss kiss gonna tell you right now
I ll make it sweet on the lips as it can knock you out
Shut up I don t care what you say
Cuz when we both in the ring you re gonna like it my way
Yeah baby there s a villain in me so sexy sour and sweet
And you ll be loving it

Some days I m a super bitch
Up to my old tricks
But it won t last forever
Next day I m your super girl
Out to save the world
And it keeps gettin  better

Hold on
Keeps gettin  better
Hold on
Keeps gettin  better

BRIDGE :

        **Em**
In the blink of an eye
        **Am**
In the speed of the light
              **G**
I ll hold the universe up
                **F**
And make your planets collide
        **Em**
When I strap on my boots
        **Am**
And I slip on my suit
            **G**
You see the vixen in me
            **F#**              **F**
Becomes an angel for you

Some days I m a super bitch
Up to my old tricks
But it won t last forever
Next day I m your super girl
Out to save the world
And it keeps gettin  better

Some days I m a super bitch
Up to my old tricks
But it won t last forever
Next day I m your super girl
Out to save the world
And it keeps gettin  better

Hold on
Keeps gettin  better
Hold on
Keeps gettin  better
