

**Little Dreamer**  
**Christina Aguilera**

Intro: **C G Am F**

**C**

Look at the stars, I will take one down for you

**G**

No matter what the distance, I ll see it through

**Am**

I ll fill you in between the sun and moon

**F**

Til the end I ll be waiting

**C**

And whenever in night, the lights go down

**G**

I know that you ll go on to shine somehow

**Am**

And even if you re miles above the clouds

**F**

Til the end I ll be waiting

**C**

Now I lay you down to sleep

**G**

I pray we ll meet inside my dreams

chorus:

**C**

So long, my Little Dreamer, I ll miss your face

**G**

We ll always stay connected through time and space

**Am**

The journey that we shared but now have to leave

**F**

Will live inside of us for eternity, yeah

**C**

Little dreamer,

**C**

little dreamer,

**C**

little dreamer,

**C**

little dreamer

C  
Look through the dark, there s a compass in the sky  
G  
If ever you re lonely and question why  
Am  
Remember that I m always by your side  
F  
Til the end I ll be waiting

C  
And even though we sleep like years apart  
G  
The galaxy away is not so far  
Am  
Because we know the future is our dark  
F  
Til the end I ll be waiting

**C**  
Now I lay me down to sleep

**G**  
I pray we ll meet inside my dreams

**Am**  
If I should go before I wake

**F**  
I pray our souls will join again

chorus

**C**  
So come on my little dreamer, I ll miss your face  
**G**  
We ll always stay connected through time and space  
**Am**  
The journey that we shared but now have to leave  
**F**  
Will live inside of us for eternity

**C**  
Destiny will be a part of you, babe (will be)

**Am**  
I ll feel you in the atmosphere (I ll feel you)

**F**  
And nothing will be left to fear (nothing left to fear)

**C**  
Little dreamer, little dreamer (Ooh, said)

**G**

Little dreamer, little dreamer (Ooh oh)

**Am**

Little dreamer, little dreamer (Ooh, ooh)

**F**

Little dreamer, little dreamer (Ooh, ooh)

chorus x2

**C**

**G**

I will be with you till the end

**Am F**

**C**

Mmm, always be waiting till the end
