

**Little Dreamer**  
**Christina Aguilera**

Intro: **C G Am F**

**C**

Look at the stars, I will take one down for you

**G**

No matter what the distance, I ll see it through

**Am**

I ll fill you in between the sun and moon

**F**

Til the end I ll be waiting

**C**

And whenever in night, the lights go down

**G**

I know that you ll go on to shine somehow

**Am**

And even if you re miles above the clouds

**F**

Til the end I ll be waiting

**C**

Now I lay you down to sleep

**G**

I pray we ll meet inside my dreams

chorus:

**C**

So long, my Little Dreamer, I ll miss your face

**G**

We ll always stay connected through time and space

**Am**

The journey that we shared but now have to leave

**F**

Will live inside of us for eternity, yeah

**C**

Little dreamer,

**C**

little dreamer,

**C**

little dreamer,

**C**

little dreamer

**G**

Little dreamer, little dreamer (Ooh oh)

**Am**

Little dreamer, little dreamer (Ooh, ooh)

**F**

Little dreamer, little dreamer (Ooh, ooh)

chorus x2

**C**        **G**

I will be with you till the end

**Am** **F**

**C**

Mmm, always be waiting till the end
