[Verse 2] (same chords as verse 1)  
Baby it's hard

And it feels like you're broken in scar

Nothing feels right

But when you're with me

I make you believe

That I've got the key

So get in the car

We can ride it

Wherever you want

Get inside it

And you want to stir

But I'm shifting gears

I'll take it from here

And it goes like this

[Chorus]  
Take me by the tongue  
And I'll know you  
Kiss til you're drunk  
And I'll show you

You want the moves like Jagger  
I got the moves like Jagger  
I got the mooooooves...like Jagger

I don't even try to control you  
Look into my eyes and I'll own you

You with the moves like jagger  
I got the moves like jagger  
I got the mooooooves...like jagger
