[Verse 2] (same chords as verse 1)
Baby it s hard

And it feel like you re broken in scar

Nothing feels right

But when you re with me

I make you believe

That I ve got the key

So get in the car

We can ride it

Wherever you want

Get inside it

And you want to stir

But I m shifting gears

I ll take it from here

And it goes like this

[Chorus]

Take me by the tongue

And I ll know you

Kiss til you re drunk

And I ll show you

You want the moves like jagger
I got the moves like jagger
I got the mooooooves...like jagger

I don t even try to control you
Look into my eyes and I ll own you
