

Slow Down Baby
Christina Aguilera

Gm Cm D Gm

Stop, slow down baby (repeat)
Woo yeah, oooh hey, woo

Gm Cm D Gm

I can tell that you re into me
Baby it s so plain to see
I can see it in your eyes
You re paralyzed; every time I pass you by

Gm Cm D Gm

You re the kind that gets your way
Every minute, every single day
I can see it all in your face, you re blown away
Cause I don t want you in my space

Gm Cm D Gm

You re strutting around here like you think that
I can t do without you
You got some nerve to think that
I would give UP everything

Gm Cm D Gm

Slow down baby, and don t act crazy
Cos you know, you can look all you want
but you just can t touch (just can t touch, no)
So slow down baby (hey), I m not your lady (lady)
Boy you re never gonna get it from me
cause I m with someone

Gm Cm D Gm

Slow it down, slow it down, ooo woo, slow

Gm Cm D Gm

After all of the games you played
How does it feel to finally get a taste?
You can dish it out but can you take the bed you ve made?
go lie in it for a change.

Gm Cm D Gm

I m not falling for your stupid lines
I know you ve used them bout a thousand times
Say them like they were a nursery rhyme

But I won't buy them; baby don't you even try

Gm Cm D Gm

You're coming round here like
you think that everything's about you
If you knew anything you'd realize I wear a ring

and don't act crazy (crazy, hey)
Cos you know, you can look all you want
but you just can't touch (you just can't touch, no)
So slow down baby (slow down),
I'm not your lady (your lady)
Boy you'll never gonna get it from me
