

What A Girl Wants
Christina Aguilera

(Verse 1)

Am **G**
I wanna thank you for giving me the time to breathe
F **E**
Like a rock you waited so patiently
Am **G**
While I got it together
F **E**
While I figured it out
Am **G**
I only looked but I never touched
Dm **G**
But in my heart was a picture of us
Dm **Am**
Holding hands, making plans
F **G**
And it s lucky for me you understand

(Chorus)

C **G**
What a girl wants What a girl needs
Am **E**
Whatever makes me happy and sets you free
F **G**
And I m thanking you for knowing exactly
C **G**
What a girl wants What a girl needs
Am **E**
Whatever keeps me in your arms
F **G** **C**
And I m thanking you for giving it to me

(Verse 2)

Am **G**
There was a time i was blind i was so confused
F **E**
I d run away just to hide it all from you
Am **G**
Baby you knew me better
F **E**
Than I knew myself
Am **G**
They say if you love something let it go
