

**Liar Liar**

**Christina Grimmie**

I was hoping to be the first to tab this song, but I was beaten to it! The other tabs are great for both capo 3 and standard tuning, so I decided to contribute my preferred method of playing - half-step down. I did learn this myself (I didn't even know any Christina Grimmie tabs were up until minutes before posting this tab), and this song is very simple, but has a lot of power. I hope this helps you!

Intro: **C#m A E B** x2

Verse

**C#m A**

Can't see you anymore

**E**

You're an inch out the door

**B**

Didn't know what I'd do, no, now

**C#m A**

With words I've been betrayed

**E**

You respond to let them fade

**B**

And I just won't let you bring me down

**C#m A E**

You can see what I know, and I know

**B**

Somewhere there's a sorry heart

**C#m A E**

Tell me why these roads keep leading

**B**

Leading you right back to me

Chorus

**C#m A E B**

Liar liar, don't cry on my shoulder

**C#m A E B**

You play with fire, and smiled when you told her

**F# A E**

Whoa oh oh, oh oh oh

**B**

Thought you were someone

**F# A E**

Whoa oh oh, oh oh oh

**B F#**

Goodbye to no one

Verse

**C#m** **A**  
So break away your touch  
**E**  
The bliss you miss so much  
**B**  
But I won't tell you to come back home  
**C#m** **A**  
Emotions dissipate  
**E**  
With a love designed to hate  
**B**  
Keep on driving away from here  
**C#m** **A** **E**  
I don't reach as it falls in your hands  
**B**  
Was it big enough, the storm?  
**C#m** **A** **E**  
Tell me why these roads keep leading  
**B**  
Leading you right back

Chorus

**A** **B** **C#m**  
I don't need to know you'll be there

You're not on my mind

**A** **B** **C#m**  
I don't need to know you care

Please don't waste my time

**C#m** **A** **E** **B**  
Liar liar, don't cry on my shoulder

**C#m** **A** **E** **B**  
You played with fire and smiled when you told her
