D **G** **B C**
If the sun shuts down and decided not to shine no more

D G B C
I would still have you, baby

D **G** **B C**
If we see the last day and they say we gotta go to war

D B C
I ll be fighting with you , baby

D G B C
Cuz I know if I m falling, you won t let me hit the ground

D G B C
If the boat is sinking, I know you won t let me drown

D G
No matter what anyone could say

B C
This is the only place for me

D G
And no one could ever take that away

B C
Nothing could come between us

D G B C
If the sun shuts down and decided not to shine no more (No more)

D G B C
I would still have you, you, you ,you, you, you, you

D G B C
If we see the last day and they say we gotta go to war (To War)

D G B
I ll be fighting with you, you, you ,you, you

C D
Because it s us against the world

G B
The world, the world

C D
You know it s us against the world

G B C
The world, the world, ohh

D G B C
Now if I m lost at sea 7 days I m not alone

D G B C
If I m holding you, you, you, you, you

D G B C

And if it all ends; everybody in the world is gone

D G B C

I'll be standing with you, baby

D G

And if it's the last breath I take

B C

I'll leave my kiss with you

D G

If there's a wall between us, baby

B C

I know I'll break through

D G

No matter what anyone could say

B C

This is the only place for me

D G

And no one could ever take that away

B C

Nothing could come between us

D G B C

If the sun shuts down and decided not to shine no more (No more)

D G B C

I would still have you, you, you, you, you, you, you

D G B C

If we see the last day and they say we gotta go to war (To War)

D G B

I'll be fighting with you, you, you, you, you

C B

Because it's us against the world

D

Nothing's stronger now than you and I

G

Cuz your love is all I got

B

And this ain't never gonna stop

C

No, whoa

B D

There's no distance here when we're apart

G

Come on in from the cold

B

Lay your head on my shoulder

C

Ride like a soldier

B

I may stay right here

D G B C

If the sun shuts down and decided not to shine no more (No more)

I would still have you, you, you ,you, you, you, you

If we see the last day and they say we gotta go to war (To War)

I ll be fighting with you, you, you ,you, you

Because it s us against the world

The world, the world

You know it s us against the world

The world, the world, ohh (Repeat)
