**Believe**
**Christina Perri**

[Intro]
**B, B/C#, G#m** (x2)

[Verse 1]
**B**                                                      **G#m**
I believe if I d knew where I was going, I d lose my way.
**B**                                                   **G#m**
I believe that the words he told you are not your grave.
**B**                    **G#m**
I know that we are not the weight of all our memories.
**B**                                  **G#m**
I believe in the things that I am afraid to see.
**F#**      **E**
Hold on.
**F#**      **G#m**
Hold on.

[Verse 2]
**B**                                          **G#m**
I believe in the lost possibilities you can t see.
**B**                                            **G#m**
I believe that the darkness reminds us where light can be.
**B**                      **G#m**
I know that your heart is still beating, beating darling.
**B**                                        **G#m**
I believe that you fell so you can be next to me.
**F#**      **E**
Hold on.
**F#**       **G#m**
Hold on.

[Hook]
                 **E**        **F#**                **G#m**
 cause I ve been where you are before,
                 **E**                **F#**                      **G#m**
and I have felt the pain of losing who you are,
                 **E**                **F#**             **B   Bsus2 G#m F# C#**
and I have died so many times but I am still alive.

**B, B/C#, G#m** (x2)

[Verse 3]
**B**                                        **G#m**
I believe that tomorrow is stronger than yesterday,
**B**                                                **G#m**
and I believe that your head is the only thing in your way.
**B**                             **G#m**

I wish that you could see that your scars are linked to beauty.
**B**                                                      **G#m**
I believe that today it s okay to be not okay.
**F#**      **E**
Hold on.
**F#**      **G#m**
Hold on.

[Hook]
             **E**    **F#**                 **G#m**
 cause I ve been where you are before,
             **E**                 **F#**      **G#m**
and I have felt the pain of losing who you are,
             **E**                 **F#**     **B Bsus2 G#m F# C#**
and I have died so many times but I am still alive.

**B, B/C#, G#m** (x2)

[Outro]
**B**
This is not the end of me,
**G#m**
this is the beginning.
(Hold on)
(I am still alive)
