

Burning Gold
Christina Perri

G **Am Em**
Looking for an exit in this world of fear

D G

I can see the path that leads a way

Am Em

Mama never left and daddy needs me here

-stop

I wish the wind would carry a change

G **Am Em**
Looking through the window to a world of dreams

D G

I can see my future slip away

Am

Honey you wont get there if you don t believe

Em

I wish the wind would carry a change

C **Em**
I ve had enough, I m standing up

Bm **Em**

I need, I need a change

C **Em**
I ve had enough, of chasing love

Bm **B 224442**

I need, I need a change

G **Am** **Em**
I m setting fire to that that I know

G **Am** **Em**

Lets start a fire everywhere that we go

G **Am** **C** **D**
We started fires, we started fires

Em **D** **C**

Til our lives were burning gold

Em **D** **C** (-once)

Til our lives were burning gold

G **Am Em**
Looking for my ticket to a higher place

D G

I can see my chance begin to fade

Am

One step forward and two back again

Em

I wish the wind would carry a change
