

Daydream

Christina Perri

Artist: Christina Perri

Song: Daydream

Tabbed by: King Of Suede

E-mail: kingofsuede(at)Verizon.net

Capo on 3rd fret

(All chords in relation to capo)

This was tabbed from the Live at Ocean Way video. In that, she plays the G as a bar chord

Song is in 3 so strumming pattern is (generally):

1 + 2 + 3 +

D U U

CMaj7: x32003

[Intro]

[G]

G

Finally your time has come

Em

Now s my chance to turn and run

CMaj7

Like I always do

G

Build a story in my head

It was love before we met

Em CMaj7 G

Happy, with my idea with you

Am

G

Stay where you are

F

E

Please don t break my heart

F

Love you in my daydream

C/G

G

Don t open your mouth, open your mouth

F

Everything I ll ever need

C/G

G

Spoil it now, spoil it now

Am G C Em F

You stood up and I fell down

G

Watching me, watching you

I know what you wanna do

Em

CMaj7

G

But I m afraid of my wish coming true

G

So I paint a picture in my mind, that

I go back to older times

Em

CMaj7

G

It s better than being with you

Am

G

Stay where you are

F

E

Please don t break my heart

F

Love you in my daydream

C/G

G

Don t open your mouth, open your mouth

F

Everything I ll ever need

C/G

G

Spoil it now, spoil it now

Am G C Em F G

You stood up and I fell down

AmG C Em F G

I don t know how to come down

AmG C Em F G

I was lost and now I am found

Am G C Em F Dm

You stood up and I fell down

F

Love you in my daydream

C/G

G

Don t open your mouth, open your mouth

F

Everything I ll ever need

C/G

G

Spoil it now, spoil it now

F

Love you in my daydream

C/G

G

Don t open your mouth, open your mouth

F

Everything I ll ever need

C/G

G

Spoil it now, spoil it now

Am **G** **C** **F**

Love you in my daydream
