

I Like You
Christina Perri

G **B**
It s like a little piece of heaven... when you stay
G **B**
You make me feel like it s all okay
C **G**
And now I know that the sun will only shine when clouds go away
A **A**
Cuz that s how you make me feel... that s how you make me feel today

G B C A

G **B**
And you re like a little piece of candy.. on my tongue
G **B**
You re so much fun
C **G**
And I flip like a butterfly with one look in your eyes
A **A** ..**G**..
That s how you make me feel... that s how you make me feel tonight

C **G**
And I think I like you
C **G** **B** ..**A**..
And I think you like me too

G **B**
Let s keep dreamin and wishin ... this way
G **B**
Grown-ups don t take enough time to play
C **G**
And loving s all that matters at the end of the day
A **A** ..**G**..
That s how you make me feel... thank you for making me feel this way

C **G**
And I think I like you
C **G** **B**
And I think you like me too
