

One Wish

Christina Perri

Capo 4

C

If I had one wish I'd make us

Am

drift away far from this place

F

And you know better than

G

me that I like it my

A7

way

C

Since the circumstance is weak,

Am

I know that you are swallowing your pride

G

When you look at me

A7

F

All I'm trying to

G

say is that

C

whatever you do it's

F

okay. Baby I'll

G

stay

A7

C

I am not a fool when it comes

Am

straight down to your p's and q's

F

And mister

G

I think you have me all wrong

A7

C

Cause at the end of every day

Am

I like to lay my head your way

F

And listen to your

G

heart sing

C

F

All I m trying to say

Is that

G

whatever you do it s

C

okay Cause baby I ll

G

stay with

F

you

G

I ll stay with you

C
