

One Wish
Christina Perri

Capo 4

E

If I had one wish I'd make us

C#m

drift away far from this place

A

And you know better than

B

me that I like it my

C#7

way

E

Since the circumstance is weak,

C#m

I know that you are swallowing your pride

B

When you look at me

C#7

A

All I'm trying to

B

say is that

E

whatever you do it's

A

okay. Baby I'll

B

stay

C#7

E

I am not a fool when it comes

C#m

straight down to your p's and q's

A

And mister

B

I think you have me all wrong

C#7

E

Cause at the end of every day

C#m

I like to lay my head your way

A

And listen to your

B

heart sing

E

A

All I m trying to say

Is that

B

whatever you do it s

E

okay Cause baby I ll

B

stay with

A

you

B

I ll stay with you

E
