

The Lonely
Christina Perri

Gm Dm
2am where do I begin
Eb Bb F
Crying off my face again
Gm Dm
The silent sound of loneliness
Eb Bb F
Wants to follow me to bed

[Pré-Refrão]

Eb F Bb Gm
I m a ghost of a girl that I want to be most
Eb F Gm
I m the shell of a girl that I used to know well

[Refrão]

Gm Dm
Dancing slowly in an empty room
Eb Bb F
Can the lonely take the place of you?
Gm Dm
I sing myself a quiet lullaby
Eb Bb
Let you go and let the lonely in
F
To take my heart again

Gm Dm
Too afraid to go inside
Eb Bb F
For the pain of one more loveless night
Gm Dm
But the loneliness will stay with me
Eb Bb F
And hold me til I fall asleep

[Pré-Refrão]
