

Mr Funny Man
Christofer Drew

Capo 2nd fret

If your familiar to his music, you should know which strings to pluck.

Intro- **G**

G **D** **C** **G**
Hello Mr. Funny Man I ve heard all your jokes
G **D** **C** **G**
but the jokes on you if you don t know your jokes are getting old round here
G **D** **C** **G** **Am**
the moment you begin to try is when the humor dries up
 D **G**
And I s, I ain t laughing this time
G **D** **C** **G**
It s a crystal clear circumstance that everyone s aware of
G **D** **C** **G**
It s hard to give out chances when the probabilities against us
G **D** **C** **G** **Am**
the moment you begin to try is when your prospects wither up
 D **G**
And I, yeah you ain t laughing this time

Chorus:

C **D** 3--2--0-- **D**
Hello Mr.Funny Man you ve hidden who you are my friend
C **D** 3--2--0 **D**
You re medicated remedy, the cure for you re complexities
C **D**
there s no need to be a phony man
C **D**
cause then you ll just be a funny man
C **D**
it s time to become a bigger man
C **D**
and honestly man you re jokes just ain t that funny

Its all the same through the second verse. But at the end the chords are GCG

Im Not sure if the D s after the 3--2--0 are right.
