

Swept Away
Christopher Cross

E-A-E-A

E A
I never had anything happen so fast
E A
I took one look and I shattered like glass
E A
I guess I let it show cause your smile
E-A
Told me you knew
E A
That you're everything I ever wanted at once
E A
There's no holding this heart when it knows
What it wants
E A E
And I never wanted anything more than to know

[Chorus]

E G#m
I was swept away
A E
No one in the world but you and I
F#m G#m
Gotta find a way to make you feel
B
The way I do.

E G#m
I was swept away
A
Without a warning
C#m A
Like night when the morning begins the day
F#m B E
I was swept away

E A E A
And so it begins The journey of love
E A
The summer wind carries us to places
E-A
All our own
E A E A
The words of a look, The language of touch
E A
The way that you want me means so much

E **A**
And I never wanted anything more

E
Than to love you...

E **G#m**
Cant you see that? I was swept away

A **E**
