

Lysandre 7

Christopher Owens

G Bm Em Bm C D G, the chorus is C D G Em C D G(7 the first time). the bridge is

Em Bm C G7 Em Bm C D

G Bm G Bm  
You could act precocious, you could be ferocious

C D G  
You can run away from me and hide

G Bm G Bm  
But I m not gonna worry, I m not in a hurry

C D G  
You will come around to me in time

C D Em  
Cause love is everything that you need

C D G7  
It always comes back to love

C D G  
Kissin and a-huggin is the air that I breathe

C D G  
I ll always make time for love

G Bm G Bm  
Maybe in a while, you ll give me a smile

C D G  
I will see the look in your eyes

G Bm G Bm  
So call me just whenever, I m ready whenever

C D G  
I ll be here when you wanna try

C D Em  
Cause love is everything that you need

C D G7

It always comes back to love

**C**                      **D**                      **G**  
Kissin and a-huggin is the air that I breathe

**C**                      **D**                      **G**  
I ll always make time for love

**Em Bm C G7 Em Bm C D**

**Em**    **Bm**  
I would love to kiss you in the moonlight

**Bm**                                      **C**                                      **G7**  
Slowly dancing under starlight, in the summer ocean breeze

**Em**                                      **Bm**                                      **C**  
may could wish it let it go forever, and we d lay around together

(silence)                                      (guitar taps) **G**  
But I m not gonna beg, so baby, come around to me.

**C**              **D**              **Em**  
Cause love is everything that you need

**C**                      **D**                      **G7**  
It always comes back to love

**C**                      **D**                      **G**  
Kissin and a-huggin is the air that I breathe

**C**                      **D**                      **G**  
I ll always make time for love

**C**                      **D**                      **G**  
I ll always make time for love

**C**                      **D**                      **G**  
I ll always make time for love

**C**                      **D**                      **G**  
I ll always make time for love

**C**                      **D**                      **G**  
I ll always make time for love
