

Its Just Like Christmas
Christy Altomare

[Verse 1]

C **Dm**
Darlinâ€™ Darlinâ€™ Iâ€™ve been wonderinâ€™
F **G** **C**
Whatâ€™s all this Christmas time really about underneath all the glow
Dm **F** **C** **C/B** **Am**
Is it a celebration of love for the people who share in your joy and your pain?
F **G** **C**
Well if that is trueâ€¦ Thereâ€™s no need to explain

[Chorus]

Dm **F** **C**
It feels like Christmas every day now that Iâ€™ve found you
Dm **F** **C** **C7**
Oh itâ€™s like Christmas even when thereâ€™s no presents or snow
Dm **F** **C** **C/B** **Am**
Yeah itâ€™s like Christmas every day and it just might astound you
Dm **F** **G** **C**
That when itâ€™s Christmas, itâ€™s just like every day that we know

[Verse 2]

C **Dm**
Darlinâ€™ Sweetheart Iâ€™ve been up all night
F **G** **C**
Wrapping those gifts for our friends and our parents we canâ€™t wait to show
Dm **F**
Oh but Iâ€™ve been thinkin bout your smile
C **C/B** **Am**
And the way that your nose wrinkles up in the cold
G
Bout us growinâ€™ old

[Chorus]

Dm **F** **C**
And itâ€™s like Christmas every day now that Iâ€™ve found you
Dm **F** **C** **C7**
Oh itâ€™s like Christmas even without the green mistletoe
Dm **F** **C** **C/B** **Am**
Yeah itâ€™s like Christmas every day and it just might astound you
Dm **F** **G** **C**
That when itâ€™s Christmas itâ€™s just like every day that we know
