

Cliffs Of Dooneen
Christy Moore

song is in standard tuning, the way i hear it christy uses chordvariations while fingerpicking the song.

anyway, an easy overview over the chords used:

	G	C	F	Am
E	3	x	x	x
A	x	3	x	0
D	0	2	3	2
G	0	0	2	2
B	3	1	1	1
e	3	3	3	0

Christy uses some variations on the high e-string and on the rute notes to make the song softer. i didnt figure them out, but i m sure you can by just trying.

ah

and the song s in 3/4!
