

Ride On
Christy Moore

Capo III

[Intro]

Am F G Am (x2)

[Verse 1]

Am F
True you ride the finest horse I ve ever seen
G Am
Standing 16 one or two with eyes wild and green
Am F
You ride the horse so well, hands light to the touch
G Am
I could never go with you no matter how I wanted to

[Chorus]

Am F
Ride on, see you
G Am
I could never go with you no matter how I wanted to
Am F
Ride on, see you
G Am
I could never go with you no matter how I wanted to

[Verse 2]

Am F
When you ride into the night without a trace behind
G Am
Run your claw along my gut one last time
Am F
I turned to face an empty space where you used to lie
G Am
And look for the spark that lights the night through the teardrop in my eye

[Chorus]

Am F
Ride on, see you
G Am
I could never go with you no matter how I wanted to
Am F
Ride on, see you
G Am
I could never go with you no matter how I wanted to

[Outro]

Am F G Am (x4)
