Key of G
Capo 3

Verse 1:

C **G**
From babies hidden in the shadows
Am **C**
To the cities shining bright
F **C** **D**
There are captives weeping far from sight
C **G**
For every doorway has a story
Am **C**
And some are holding back the cries
F **C** **D**
But there is one who hears at the night

Chorus:

C **G**
Great God
Am **F** **C** **G**
Wrap your arms around this world tonight
Am **F**
Around the world tonight
C **G**
And when you hear our cries
Am **F**
Sing through the night
C **G** **Am** **F**
So we can join in your song and sing along yeah
Am **F** **C**
Weâ€™ll sing along

Verse 2:

C **G**
From the farthest corners of the earth
Am **C**
Still His mercy reaches
F **C** **D**
Even to the pain we cannot see
C **G**
And even through the darkness

There's a promise that will keep us
There is one who came to set us free

(Chorus)

Bridge:

So let your song rise
And fill up the earth
Let your hope ring out
Let your heart be heard
Let your song rise
And fill up the earth
Let your hope ring out
Let your heart be heard

(Chorus)
