Verse 1:

C	Cmaj9		
I think you got ahead of me,	you got ahead of me		
Am	G		
Walking back towards the sea and moving steadily			
C	Cmaj9		
As far as the eye can see all is empty			
Am	G		
No sign of anything resembling the living			
C	Cmaj9	Am	G
So baby come home don t you leave me all alone			
C	Cmaj9		

The knots that you make, ties that you break,
Life that you take all adds up to nothing, nothing but

Chorus:

When you don't play by the rules
The days turn black and blue
I guess you got some things to do
I'll remember you

Bridge:

These are not the eyes of me
It's just a side of me
rising like the tide of sea
Nothing more surprises me
Slip away so quietly
I am ready walking down the side of me
Please come cry with me

Verse 2:

I think you got the best of me because the rest of me
Has lost all feeling with no signs of healing
How can I just let it be when everything
Isn't how it ought to be it's my autobiography
So when the wind blows will you hit that lonely road
And never look back at what might have come
