verse 1

C#

When I was just a little boy like you

C#

I wanted to do things the big boys do

F#

Wherever they went you knew they wouldn't let me go

C#

And I got suspicious and I wanted to know

G#

I was bright in school but my future looked dim

C#

Cause the big boys wouldn't let me party with them

C#

C#

Yes, yes - I didn't cry - yes, yes - and you know why

F#

Yes, yes - I knew when and what

C#

Yes, yes - no ifs, ands, or buts

G#

C#

.... I was looking for joy - yes, yes, yes, yes

C#

When I was little bitty boy

Solo

verse 2

C#

All of the big girls with their to

C#

When I ask 'em what's happening, nobody knew

F#

But when I found out where, what, when, and why

C#

I didn't let a single week pass by

G#

Till the school dance when I first met you

C#

And I learned to party like the big boys do

C# C#
Yes, yes - I didn't cry - yes, yes - and you know why

verse 3
C#
If I would have known what makes a world go round
C#
I would have known what goes up must come down
F#
If you love me like I love you,
C#
Mademoiselle you chimboy woo
G#
The girls want to stay and the boys want to play
C#
So let's a rock and roll till the break of day

C# C#
Yes, yes - I didn't cry - yes, yes - and you know why
F#
Yes, yes - I knew when and what
C#
Yes, yes - no ifs, ands, or buts
