Title: Cold Night

Intro:

C, G, F, C, G
C, G, F, C, G

Verse 1:

C **G**
Pack up the truck and hit that old road
F **C** **G**
Heading straight up 395
C **G**
Well there ainâ€™t nothing much like freedom and wind
F **C** **G**
To make a tired man feel quite alive

Pre-chorus

Am **C** **G**
Oh and heavenâ€™s having your girl by your side
Am **C** **G**
Oh and heavenâ€™s as close as taking a ride

Verse 2:

C **G**
Well bishop has passed and I roll down the glass
F **C** **G**
To breath elevation and pines
C **G**
Well the air way up here takes your soul of somewhere
F **C** **G**
To a higher ground off by and by

Pre-chorus:

Am **C** **G**
Oh and heavenâ€™s having your girl by your side
Am **C** **G**
Oh and heavenâ€™s as close as taking a ride

Chorus:

F **G**
Oh how the days change here fierce with the wind
C **F**
From a sunny sky filled with blue
F **G**
To a white blanket covering the mountains again
C **F**
