Verse 2

Ain t no sense in crying, maybe in dying
Cause hell on earth has a way of finding the weakness in town
Gotta keep this head high, gotta fight a good fight
Even when i lay low in the night to find rest the last minutes of light/life (?)

Chorus

And I m on my way
Feet don t fail me now
Cause my brothers lay
in the dirt all around

God rest these souls
Get this one home
Where the sun sets slow

And the ocean is calm
Get em all home

Get em all home (repeat)
