On my own

**D**  
Tonight it s for sure

**D**  
There ain t nothing

**Em** **A**  
That eight days on the road won t cure

**A**

So make way

**D**

I m coming through

**Em**

I m leaving you

**D**

And that is a fact

**Em**

**A**

And honey, After eight days I ain t looking back.

**A**

I ve been down

**Em**

I ve been out

**D**

I ve been north

**Em**

**A**

And honey, I ve been, And honey, I ve been south.

CHORUS:

**A**

**D**

Eight day on the road

**Em**

I ve got the lightest load

**D**

Nothing s ever been

**Em**

**A**

I ve been hangin , After eight days I don t see no end.

**A**

And these wheels

**D**

Make a lonesome sound

**Em**

As they hug the ground

**D**

Yeah, I ll admit,

**Em**

**A**

That somehow, After eight days you get used to it.

Hope you like it :)
