{G}Devil take me
{G}God forsake me
{G}Made my {Bm/F#}home in {Em}heven/hell

Out of ruins growing pains
Wide-eyed pirates crossing bones

Tightrope walker
Chaos order
I fell right into heaven/hell
Devil take me
God forsake me
Made my home in heven/hell

Kicking giants drowned in reason
Breaking old building new

Tightrope walker
Chaos order
I fell right into heaven/hell
Devil take me
God forsake me
Made my home in heven/hell
