{G}Devil take me  
{G}God forsake me  
{G}Made my {Bm/F#}home in {Em}heven/hell

Out of ruins growing pains  
Wide-eyed pirates crossing bones

Tightrope walker  
Chaos order  
I fell right into heaven/hell  
Devil take me  
God forsake me  
Made my home in heven/hell

Kicking giants drowned in reason  
Breaking old building new

Tightrope walker  
Chaos order  
I fell right into heaven/hell  
Devil take me  
God forsake me  
Made my home in heven/hell
