{Gm}Up behind the bus-stop  
in the {F}toilets of the street  
there are {Gm}traces of a {F}killing  
on the {Gm}floor beneath your feet  
{Gm}Mixed in with the piss and beer  
are {F}bloodstains on the floor  
From the {Gm}boy who got his {F}head kicked in  
a {Gm}night or two before  
{Gm}Homophobia {F}the worst disease  
You {Gm}can t love who you {F}wan t to love  
in {Gm}times like this  
{Gm}Homophobia {F}the worst disease  
You {Gm}can t love who you {F}wan t to love  
in {Gm}times like this  
In the pubs clubs and burgerbars  
breeding pens for pigs  
Alcohol testosterone  
and ignorance and fists  
Packs of hunting animals  
roam across the town  
They find an easy victim  
and they punch him to the ground  
Homophobia the worst disease  
You can t love who you wan t to love  
in times like this  
Homophobia the worst disease  
You can t love who you wan t to love  
in times like this  
The siren of the ambulance  
the depan of the cops  
Chalk to mark the outline  
where the boy first dropped  
Beware the holy trinity;  
church and state and law  
For every death the virus  
gets more deadly than before  
Homophobia the worst disease  
You can t love who you wan t to love  
in times like this  
Homophobia the worst disease  
You can t love who you wan t to love  
in times like this.
