This girl

She got caught out on the multi-storey car park  
Throwing goodbye notes wrapped up in bricks  
When they put her in the car  
She said Jesus made me do it  
But all the priests in all the world couldn t save this girl

This girl

Content with all the bloody noses,  
scabby knees you get from fighting wars like these  
Running past the tidy houses pulling faces  
This material world couldn t tempt this girl

{F}Now she {G}entertains the {C}world and all it s {Am}mates  
{F}But she {G}doesn t fit {C}in {C}  
{F}Every{G}body thinks this {C}girl is {Am}great  
But she s {F}lacing all the {F}party drinks  
with {F}venom from A {F}poison {C}pen {G}{Am}{C}{F}{C}{F}{G}

This girl  
She made a habit of habitually lying  
Does everybody s head in  
She knows what happens when the next stop that you see  
It s not the one that everyone expected it to be  
This girl

Happy families round the supermarket check-out  
She loves to be the odd one out the part girl who stayed upstairs  
Playing musical chairs La-la, la-la-la  
She doesn t care  
This girl

{F}Now she {G}entertains the {C}world and all it s {Am}mates  
{F}But she {G}doesn t fit {C}in {C}  
{F}Every{G}body thinks this {C}girl is {Am}great  
But she s {F}lacing all the {F}party drinks  
with {F}venom from A {F}poison {C}pen {G}{Am}{C}{F}{C}{F}{G}

{C}This {G}gir{Am}l  
She didn t {C}turn out quite the {F}way she was sup{C}posed to do  
{F}O{G}o{C}oh.

And now, just a few words words:

Open your eyes. It s time to wake up. Enough is enough. Give the  
fascist man a gunshot
