

Gun
CHVRCHES

[Verse]

Bb **Dm** **C**
You had better run from me with everything you own
Bb **C**
Cause I am gonna come for you with all that I have
Bb **Dm** **C**
I am gonna break you down to tiny, tiny parts
Bb
I never believed but I see it now
C
I m learning your lesson, Iâ€™m learning your lesson

[Chorus]

Dm **C**
Did it make you feel so clever?
Bb
Did you wear it on your sleeve?
Dm **C** **Bb**
Did you see another picture where I was not a part so far entwined?

[Verse]

C **Dm**
There is no other way never run far
Bb
Take a good swing at me and everything is even
C **Dm** **C**
So finally we agree no place for promises here

You better run, you better run so
C
Hide, hide, I have burned your bridges
Bb
I will be a gun and it s you I ll come for
C
Hide, hide, now it s all so easy
Bb
I will be a gun and it s you I ll come for

Bb **C**
Who are you to tell me how to keep myself afloat?
Dm
I treaded water all the while
C
You stuck in the knife that you held at my back

[Chorus]
