Recover **CHVRCHES** Recover The Chvrches [Verse] Caught eye call hiding from you in this skin so old I ll come clean everywhere everyone knows it me [Pre-Chorus] And if I recover will you be my comfort Or it can be over or we can just leave it here \mathbf{Em} So pick any number choose any colour I ve got the answer open the envelope [Chorus] I ll give you one more chance to say we can change or part ways You can take what you need and you don t need me I ll give you one more chance to say we can change our old ways You can take what you need and you know you don t need me [Verse] Blow by blow honest in every way I know You appear to face a decision I know you fear [Pre-Chorus] And if I recover will you be my comfort Or it can be over or we can just leave it here So pick any number choose any colour

ח

I ve got the answer open the envelope

[Chorus]

Em

I ll give you one more chance to say we can change or part ways $\ensuremath{\mathbf{D}}$

You can take what you need and you don t need me

n.

I ll give you one more chance to say we can change our old ways ${f D}$

You can take what you need and you know you don t need me

[Bridge]

D Em C D

And you know you don t need me

[Pre-Chorus]

And if I recover will you be my comfort

D

Or it can be over or we can just leave it here

∑m. (

So pick any number choose any colour

D

I ve got the answer open the envelope

[Chorus]

Em C

I ll give you one more chance to say we can change or part ways $\ensuremath{\mathbf{D}}$

You can take what you need and you don t need me

Em C

I ll give you one more chance to say we can change our old ways ${\bf D}$

You can take what you need and you know you don t need me
