

And I
Ciara

I didn't see a tab for this song so I decided to make one. It's really easy, just make sure you listen carefully to the smooth nature of the playing of the actual song. Transitions are very smooth, legato style. This tab should be exactly on point.

```
e |-----|
B |-----7-6h7-----6s-----4-----6h7-----|
G |-----8-----8-----6-----4-4-----6---6---6-----|
D |-----8-----8-----8-----6-----8---8-----8-----|
A |--6-----8-----6-----8-----|
E |-----6-----4-----6-----|
```

h-> hammer on then off

s-> staccato

For beginners learning this tab, I recommend holding the notes in a bar chord style formation. It doesn't matter without or without the bar, whatever is more comfortable for you.
