Cause tonight it s going down, tell your boys it s going down

F#m. Em A

We in the zone now, don t stop

[Hook]

You can t keep your hands off me, touch me right there, rock my body

I can t keep my hands off you, your body is my party

I m doing this little dance for you

You got me so excited

Now it s just me on you

Your body s my party, let s get it started

Boy you should know that your love is always on my mind

I m not gonna fight it, I want it all the time

Boy you should know that your love is always on my mind

And I can t deny it, I m on you, I m on you

[Verse 2]

I can t lie, I won t lie, it s amazing

My faces, the places, you re taking me

Baby take your time now, there s no need to rush

We can go another round, if that s what you want

Cause tonight it s going down, yeah you know it s going down

We in the zone now, don t stop

[Hook]

You can t keep your hands off me, touch me right there, rock my body

I can t keep my hands off you, your body is my party

I m doing this little dance for you

You got me so excited

Now it s just me on you

Your body s my party, let s get it started

Boy you should know that your love is always on my mind

I m not gonna fight it, I want it all the time

Boy you should know that your love is always on my mind

And I can't deny it, I'm on you, I'm on you

[Outro]

The things I wanna do to you

My body's calling you

I'm having so much fun with you

Now it's just me on you

Your body's my party, let's get it started, oh.
