Hearts On Fire Cimorelli

Intro: C#m D A E

F#m

Right there on the sidewalk, we met after dark

0

Your friend gave you a ride, you step out of his car

The moon lit up the street, it was the middle of July

But it was cold like November that night

F#m

You re looking right at me and I m looking away

You re telling me everything, I m too scared to say

F#m

You say my eyes are like something that you have never seen before

D A

And I can t help but fall

D

And I know that I m so far gone

Α

I m so gone right now

F#m C#m D

He knows I m down and he ll knock me out

A F#m

Just one more look and he ll burn me down

C#m

He ll burn me down

F#m I

With our hearts on fire

. E

We lit up the night, left our fears behind

F#m D E

Running for our lives, like we never die

D F#m

And it felt like magic, but I knew I couldn t have it

D

We were just so close, it s tragic

A F#:

We could feel the burn of our hearts on fire

C#m

Our hearts on fire

F#m

I can t even breathe, you re like a shooting star

```
D
I know you could burn out, but I can t see that far
Get a little closer and the sparks shine in your eyes
I don t stand a chance
And I know it s a long way down
But I m holding on
F#m
You flash that smile, my heart s giving out
There s no way I can forget you now
F#m
Forget you now
            F#m
With our hearts on fire
We lit up the night, left our fears behind
        F#m
Running for our lives, like we never die
And it felt like magic, but I knew I couldn t have it
We were just so close, it s tragic
                            F#m
We could feel the burn of our hearts on fire
Our hearts on fire
He was freedom, he was magic
I was on fire, it was tragic
Had my walls up, but he broke me down
                          F#m A
And the sparks fly all around
                        Bm F#m D A
And the sparks fly all around
C#m D A E
                      Bm F#m
With our hearts on fire
We lit up the night, left our fears behind
                    Bm
Running for our lives, like we never die
