I m gettin hot, I ve got to give a shot  
 She wants it all, And that s a lot

I m gettin ready, The love s lookin steady  
 It s gettin sticky, I thought she might miss me  
 She looked at me and said

I need a little Push, push  
 Gonna give a little Push, push  
 If ya take a little Push, push  
 Then you ll get a little Push, push

She s lookin fine, Flashin like a neon sign  
 She thinks it s love, I said that comes with time

I m gettin ready, The love s lookin steady  
 It s gettin sticky, I thought she might miss me  
 She looked at me and said

I need a little Push, push  
 Come and give a little Push, push  
 If ya take a little Push, push  
 Then you ll get a little Push, push
