---A beautiful and haunting song about the loss of someone dearly loved and missed---

[Capo on 1st fret]

Verse 1

C **G** **D** **G**
time has a different meaning now
C **G** **D**
since you found your scarlet wings
C G **D Em**
forever seems like yesterday
C **D**
but only angels know these things

(same chords as first stanza)

C **G** **D** **G**
i can hear your voice sometimes at night
C **G** **D**
and it echoes through the day
C **G** **D** **Em**
when my soul cries out from missing you
C **D**
i remember what you d say

Chorus

G **D**
as long you love
C **G**
you will see me in the stars
C **G**
as you look up at the stars
D
i will be there
G **D**
as long as you love
C **G**
i will whisper in your ear
C G D C
little whispers you will hear
C
as long as you love

G

as long as you love

Verse 2 (same as Verse 1)

C G D G

you are standing here beside me now

C G D

as i watch the children play

C G D Em

to those of us you left behind

C D

you are never far away

C G D G

even heaven cannot hold your heart

C G D

for no boundaries love allows

C G D Em

so little angel, spread those scarlet wings

C D

as you whisper to me now

Chorus

G D

as long as you love

C G

you will feel me in the sun

C G

in the warming of the sun

D

i will be there

G D

as long as you love

C G

you will understand the rain

C G D C

you must bless the falling rain

C

as long as you love

[instrumental break] not exact, but fits nicely, strum consistent with flow of verses

G D C G D Em

Chorus

G D

as long as you love

C G

you will see me in the stars

C G

as you look up at the stars

D

i will be there

G **D**

as long as you love

C **G**

i will whisper in your ear

C **G D C**

little whispers you will hear

C

as long as you love

G

as long as you love
