Dance, Girl, Dance- Cinerama

D Bm G
I thought that we could just lie here, but yes
D Bm G
I know how you love dancing in that dress
A Bm
And yes, I love to watch
Em A
You soothe away my troubles
D Bm G
But now slide those freshly shaven legs into
D Bm G
The clean cold sheets I ve put on just for you
A Bm
With every single touch
Em A
My love for you just doubles
 D G
But of course none of this has happened at all, yet
D G
We ve not even spoken, but I ll bet
Em A
Once you re through my door
Em A
You ll want to stay for ever more
 D G
Because I will hold you so tight, I ll make you see how
D G
You are the right woman for me now
Em A
Just give me a glance
Em A
To show me that I ve got a chance

All this cavorting is designed to tease
And girl your dancing drives me wild so please
Do it one more time

But make it last forever

Oh how come none of this has happened at all, yet
We ve not even spoken, but I ll bet
Once you re through my door
You ll want to stay for ever more
Because I will hold you so tight, I ll make you see how
You are the right woman for me now
Just give me a glance
To show me that I ve got a chance

Oh dance, girl, dance

None of this has happened at all, yet
We ve not even spoken, but I ll bet
Once you through my door
You ll want to stay for ever more
Because I will hold you so tight, I ll make you see how
You are the right woman for me now
Just give me a glance
To show me that I ve got a chance
