

**Sharp Practice**  
**Circa Survive**

This is how I play it when I play it acoustically. It s not perfect, but I tried to get it as close as possible.

Standard tuning, Capo 2

Intro: **Am, E** x2

**Am** **E** **Am** **E**  
Tripping over things unsaid in a constant motion  
**Am** **E** **Am** **E**  
I cannot recognize the truth â€™cause itâ€™s unfamiliar  
**Am** **E** **Am** **E**  
If you didnâ€™t have so much left to prove, would there be resistance?  
**Am** **E** **Am** **E**  
Kicking up this cloud of dust till it covers us  
**D** **E** **F** **G**  
I had been there and done it a thousand times but never with my eyes open

Chorus:

**C** **Em**  
You get what you paid for  
**C** **Em** **G** **Em** **G** **Em**  
We canâ€™t sell our Goddamn souls anymore, anymore  
**A** **C** **G** **Em** **G** **Em**  
Donâ€™t let them give you the run around again, again  
**A**  
Itâ€™s up to you to make sense of it

**Am E** x4

**Am** **E** **Am** **E**  
No one hesitates to taste when they come and throw the feet down  
**Am** **E** **Am** **E**  
If you wanna make haste, keep your feet on the ground  
**Am** **E** **Am** **E**  
I see you coming from a million miles away like a stampede of footsteps  
**Am** **E** **Am** **E**  
Kicking up this cloud of dust till it covers us  
**D** **E** **F**  
You canâ€™t control what s happen to your heart  
**G**  
till you give it away - till you give it away

Repeat Chorus

**Em**            **G**                    **C**                    **Am**  
So many words flooded in my vacant mind

**Em**            **G**                    **C**                    **Am**  
So little space, too little sleep, too little time

**Em**            **G**                    **C**                    **Am**  
Tripping over things unsaid in a constant motion

**Em**            **G**                    **C**                    **Am**                    **D**  
I cannot recognize the truth 'cause I've never known it

**E**                **F**                    **G**  
I've never known it - I've never known it

Repeat Chorus

End on **E**
