**Em**    **G**        **Cmaj7**   x2

**Em**                    **G**            **Cmaj7**

I m buried in your glow

**Em**                                    **G**                                    **Cmaj7**

will you take me with you when you go

**Em**                                    **G**                                    **Cmaj7**

I ve been following your eyes

**Em**                                    **G**                                    **Cmaj7**

roll back around and then subside

**Asus2**Â Â                                    **Cmaj7**                                    **Em**

When you realize, when you realize my name

**Gmaj13**                                    **Cmaj7/G**                                    **Em**

and suddenly your mood begins to change

**Asus2**Â Â                                    **Cmaj7**                                    **Em**

When you realize, when you realize I m gone

**Gmaj13**                                    **Cmaj7/G**

I promise that I want you

**Em**    **G**        **Cmaj7**

to        stay

**Em G Cmaj7**  
to stay

**Em G Cmaj7**  
I hear it in your cry  
(I d like to see it through)

**Em G Cmaj7**  
You dismantled my disguise  
(between the lines)

**Asus2Â Â Cmaj7 Em**  
When you realize, when you realize my name

**Gmaj13 Cmaj7/G Em**  
and suddenly your language starts to change

**Asus2Â Â Cmaj7 Em**  
When you realize, when you realize I m gone

**Gmaj13 Cmaj7/G**  
I never said I want you

**Em G Cmaj7**  
to stay

x2

**Em G Cmaj7**  
to stay

**Em G Cmaj7**  
I m buried in your glow

**Em G Cmaj7**  
will you take me with you when you go

**Em G Cmaj7**  
I ve been following your eyes

**Em G Cmaj7**  
Dismantled my disguise

**Asus2Â Â Cmaj7 Em**  
When you realize, when you realize my name

**Gmaj13 Cmaj7/G Em**  
and suddenly your mood begins to change

**Asus2Â Â Cmaj7 Em**  
When you realize, when you realize I m gone

Gmaj13

**Cmaj7/G**

Well I never said I would be here for long
