

**Non-objective Portrait Of Karma
Circle Takes The Square**

This is only one of the riffs they play; they vary a lot:

```
E-----|
B-----|
G-9-11----11-7----7-6-2----2-4-6-4-----|
D-----|
A-----|
E-----|
```

After a while, they start adding notes (again, there's a lot of variations):

```
E-----|
B-----0-----|
G-9-11----11-7-0--7-6-2----2h4-2h4-6-4-12-11-----|
D-----|
A-----|
E-----|
```

Then, they play this riff four times:

```
E-7-2--2-7-----|
B---0-----3--3-7-3--3-5-2-0-----|
G-----0-----2-----2-----|
D-----|
A-----|
E-----|
```

Then end with this riff:

```
E-7-2--2-7-----0---0---0---0-----|
B---0-----3--3-7-3-3--0--2-2---2-----|
G-----0-----2-----2-----|
D-----|
A-----|
E-----|
```

They play these chords 12 times (with slight variations) and continually increase the tempo:

```
E-2-2-0-0-2-2-2-2-2-2-2-0-0-----3-3-2-2-0-0-----|
B-0-0-0-0-0-0-3-3-0-0-3-3-----3-3-2-2-3-3-3-3-0-0-----|
G-----2-2-2-2-2-2-----|
D-----|
A-----|
E-----|
```
