

Fame
Citizen Cope

Artist: Citizen Cope

Song: Fame

Capo at 5

Intro: **Am E7 G D7**(x2)

Vers 1:

Am **E7**
You got the law man the con man the nickel store man
G
you got the man at the premiere to Spider Man. You got the old man calling
D7
on the young man got the soul man tryin to keep a holdin.

Pre-Chorus:

Am **E7** **G**
Seen the stars lookin in her eyes, so many times I tried Talked to the man
D7
who caught the rainbows end he think that the pot of gold resided within..

Chorus:

Am **E7**
For a name in the USA for a little bit of fame today for a name in the world
G **D7**
today You wanna fly high You wanna fly high you wanna fly you wanna fly you
wanna fly

Vers 2:

Am **E7**
You got the this is your land man this is my land man, You got the blood on
G **D7**
the tracks man, You got the guilty man you got the innocent man you got the
buffalo soldier dread lock rasta man

Pre-Chorus:

Am **E7** **G**
Seen the stars lookin in her eyes, so many times I tried Talked to the man

D7

who caught the rainbows end he think that the pot of gold resided within..

Chorus (2x):

Am

E7

For a name in the USA for a little bit of fame today for a name in the world

G

D7

today You wanna fly high You wanna fly high you wanna fly you wanna fly you

Am

wanna fly

Note: A bit easier to play than the other version, got those chords from a cover I

saw on youtube, sounds pretty good to me.

Have fun. Lucacap
