

Somehow
Citizen Cope

Possibly the easiest song of all two songs... 2 chords

CAPO on 2nd Fret

E

Could you believe me somehow
You re second to none
And you got my love

E7

You got me under the gun

A

Could you receive me somehow

Am

Ill stay with ya, stay with ya, stay with ya till the end

E

Could you believe me somehow
You re second to none
And you got my love

E7

You got me under the gun

A

Could you receive me somehow

Am

Ill stay with ya, stay with ya, stay with ya till the end

E

You got your coat on
Got me focused on

E7

You re movin in slow motion and

A

Every time I see you its just enough

Am

Cause you and I was meant to be together in love

E

And I said all my life

E7

See I been spending all this time, whoa

A

Every time I see ya its just enough

Am

Cause you and I was meant to be together in love

E

Could you believe me somehow

You re second to none

And you got my love

E7

You got me under the gun

A

Could you receive me somehow

Am

Ill stay with ya, stay with ya, stay with ya till the end

E

You got your coat on

Got me focused on

E7

You re movin in slow motion and

A

Every time I see you its just enough

Am

Cause you and I was meant to be together in love

E

And I said all my life

E7

See I been spending all this time, whoa

A

Every time I see ya its just enough

Am

Cause you and I was meant to be together in love

E

Could you believe me somehow

You re second to none

And you got my love

E7

You got me under the gun

A

Could you receive me somehow

Am

Ill stay with ya, stay with ya, stay with ya till the end

E

Could you believe me somehow

You re second to none

And you got my love

E7

You got me under the gun

A

Could you receive me somehow

Am

Ill stay with ya, stay with ya, stay with ya till the end
