

Let It Burn
Citizen Soldier

[Intro]

Am G F G x2

[Verse 1]

Am G F D
Take my hand and look me in the eye, There s still time left
Am G F G
Cut these chords and kid run for your life
Am G
Maybe you re broken, maybe you re shattered
F G
With no reasons left to try
Am G
But you still have so much, so much worth saving
F G
That you have left on the inside

[Pre Chorus]

Am F
I know you feel like you are worthless, and that your day has come
G
The misery eats you alive until you come undone
Am F
You feel like there is nowhere left to call your home tonight
G
You are not alone, this is our time, and I am by your side
F G
My friend this is do or die!

[Chorus]

A
Hey kid can you hear me?
F
Don t you dare pull the trigger and throw it all away
C G
You have every reason left to stay alive
A
All this hell you ve lived and seen
Am F
Drown it all in gasoline
C
And light a match, pull the pin
You are not, who you ve been

G

The past is just lessons learned

So light it up, and let it burn

[Interlude]

Am G F G

[Verse 2]

Am **G** **F** **G**
Never thought that it would come to this, Who will save you?

Am **G** **F** **G**
Fading fast, now you are cancerous

A
I know you feel hopeless, at the end of your rope now

G **F** **G**
The fear is eating you alive

Am
So I ll be your reason

I ll be your shelter

G **F** **G**
I will not let you say goodbye

[Pre Chorus]

Am **F**
Have you no reason to forget your pain and swear you ll stay?

G
If you Kiss it all goodbye, my friend, the world will be a darker place

Am **F**
I know you re scared to death, but this is not the time to hide

G
You were meant for so much more I won t let you leave this world behind

F **G**
What will it take to survive?

[Chorus]

A
Hey kid can you hear me?

F
Don t you dare pull the trigger and throw it all away

C **G**
You have every reason left to stay alive

A
All this hell you ve lived and seen

F
Drown it all in gasoline

C

And light a match, pull the pin

You are not, who you ve been

G

The past is just lessons learned

F

So light it up, and let it burn

[Bridge]

F

You will remember the day

G

Am

You burn it all to the ground

C

I know you ve heard this before

F

But you ve gotta be strong now

G

This is not the end!

[Chorus]

Am

Hey kid can you hear me?

F

Don t you dare pull the trigger and throw it all away

C

A

You have every reason left to stay alive

Am

All this hell you ve lived and seen

F

Drown it all in gasoline

C

And light a match, pull the pin

You are not, who you ve been

G

The past is just lessons learned

Am

So light it up, and let it burn

[Interlude]

Am F C G

[Outro]

Am

F

C

G

Let it Burn

Am

F

C

G

Let it Burn

The past is just lessons learned

So light it up, and let it burn...
