Still Shut My Eyes Citizen

Standard Tuning, capo on the first(optional) sounds better with one.

F-0-1-2-3-3-1 Am(I think)0-1-2-2-1-1 $\mathbf{G} - 0 - 1 - 0 - 0 - 2 - 3$

You start off the song with just F and Am listen to the song its self explanatory (F,Am,F,Am)

You strum once for each chord

Maybe I m too quick to guess,

Throwing words again.

I keep cutting ties with my piece of mind

So I can get this out.

F

Am

At times I count myself out,

Am G

Wait for days till I can be found.

At times I m just down and out,

Am

Wait for days till I can be found.

Once I m alive again,

Am

Once I m alive I start to love again,

But I still shut my eyes.
