Bred to destroy

You still heard my voice

In my distress  
I cried for your hand  
Lifted out of death  
a new creation

Please remember not

The sins of my youth so

Good and upright are  
**C**  
the ways of your truth

**Bb**                    **F**  
You have made known

The way to follow

And stronghold

Oh my God, in  
you Iâ€™m trusting  
All the paths you set are true,  
unchanging

My God, and my salvation
