The original album version is Capo 2, but this Tab is made for standard tuning for those dont have a capo. Easy.

Verse

**A** **E** **F#m** **D**  
There s a funeral procession on the highway,

**A** **E** **F#m** **D**  
Traffic screeches to a halt.

**A** **E** **F#m** **D**  
There s people searching for a better way,

**A** **E** **F#m** **D**  
To live their lives.

**A** **E** **F#m** **D**  
Johnny lived a good life, you ll hear them say

**A** **E** **F#m** **D**  
As tears of sadness soak the ground.

**A** **E** **F#m** **D**  
The reaper crept in, took his breath away,

**A** **E** **F#m** **D**  
In the middle of the night

[Chorus:]

**F#m** **D**  
We celebrate the lives of the dead,

**A** **E**  
It s like a man s best party, only happens when he dies.

**F#m** **D**  
We gather round to pay our respects,

**A** **E**  
While their souls are still searching for the light,

Verse:

**A** **E** **F#m** **D**

So please don't come to me on my dying day,

**A** **E** **F#m** **D**

Just let me go in peace.

**A** **E** **F#m** **D**

With all the things that I forgot to say,

**A** **E** **F#m** **D**

Still racing through my mind.

**A** **E** **F#m** **D**

And don't you bury me six feet under ground,

**A** **E** **F#m** **D**

Just burn my body in a box.

**A** **E** **F#m** **D**

And let my ashes blow with the wind,

**A** **E** **F#m** **D**

Out into the night.... sky.

Chorus:

**F#m** **D**

We celebrate the lives of the dead,

**A** **E**  
It's like a man's best party, only happens when he dies.

**F#m** **D**

We gather round to pay our respects,

**A** **E**
